CRANE 2020 Local Action Plan is now online

Want to create a local action plan for your hospital to drive quality improvement? This template helps organisations set out clear aims to implement the recommendations from the CRANE 2020 Annual Report.

Click [here](#) to download the local action plan template.

Visit our website for more information on:

Have you read the latest paper authored by Matt Fell, CRANE Team, and valued collaborators? It looks at the relationship between maxillary growth and speech in children with UCLP at five years of age. Click [here](#) to read the article.

News

The deadline for data submission to CRANE, for the 2021/22 Q1 SSQ Dashboard is **13 August 2021**. For any questions in advance of the Q1 deadline, please consult the [page on SSQ Dashboard Indicators submitted by CRANE](#).

Syndromes

The way we collect information on syndromes and additional diagnoses has changed. For guidance on this, please download it [here](#).

Updates
to the
Database

Ethnicity

In line with the mandatory recording of ethnicity within National Clinical Databases, we are now collecting information on ethnic group. Download the [CRANE Data Dictionary](#) for more information.

Key dates in 2021

13 August: Deadline for data entry for Dashboard
